APPLICATION FOR NEW PROPERTY WITHIN WMI'S AREA OF OPERATIONS

Applicant Details

Name _____

Address _____

Irrigation Area Buronga / Coomealla / Curlwaa (select one)

Account Number (if established) _____

Property Details

Real property description
 (landholding folio identifiers)

Water supply purpose

Irrigation

Domestic

Application type (if not in
 area of operations, tick
 both boxes)

New
 Landholding

Inclusion into area of
 operations

I/we hereby apply to Western Murray Irrigation Limited for the inclusion of the lands identified above to the company's area of operations and registered within Western Murray Irrigation Limited as a landholding, to receive water supply for the purpose indicated.

I/we acknowledge that this application may take some time to process if the land is not already included in our area of operations. As it requires the consent of the directors of Western Murray Irrigation Limited, NSW Office of Water, and formal proclamation by the Governor of NSW.

Signed by the Applicant or for and on behalf of the Applicant (where there are multiple owners, all must sign – if more than four owners please request an additional owner’s form):

Accompanying materials

1. **Payment to WMI** of the application fee (specified in the Charges Schedule on WMI’s website listed as “Create New Property within WMI”).
2. **Certificate of Title**, copy to be supplied to prove ownership of land.

Guidance notes

The transaction will take effect upon its entry into the Registers by WMI or such other date as WMI may specify.
