2. The applicant must also submit to WMI a Water NSW '*Form 71 Surface Water Assignment Application form*' with ONLY the information regarding the PURCHASER completed (and any other Water Authority's form if applicable). WMI will complete the Seller(s) information section.

The **Water NSW forms are uniquely numbered** and can be downloaded from their website at [www.waternsw.com.au/Customer-Service/Forms](http://www.waternsw.com.au/Customer-Service/Forms).

**Please note a usage-based charge will also be payable to Water NSW for each ML where water is to be traded out of the NSW system.**

3. Upon the receipt of all required forms, and the WMI fee, (please refer to Schedule of Charges Administration) for current fee) WMI will complete and sign its section of the Water NSW form (and other Water Authority form if applicable).
4. The customer can then take the completed form to the NSW Office of Water, Buronga office (Midway Estate) for lodgment. The Water NSW form can only be lodged by WMI if it is accompanied by a cheque made payable to Water NSW, or if an online payment of the Water NSW fee has been made to Water NSW.

### CONDITIONS OF TRANSFER:

1. Where an **account is in arrears** WMI will only approve a transfer if it is conducted with an agent who has agreed to pay the outstanding amount to WMI from the funds generated by the transfer.  
NOTE: If a payment arrangement is in place, the arrangement is overridden by the water transfer.
2. The party/s to this Application are responsible for all costs and expenses associated with this Application and agree to observe and perform all conditions, which are imposed on WMI by Water NSW in approving this Application.
3. **All registered account holders must sign this form.** If there are more than four, an 'Additional Owners Schedule' must be completed and attached to this Application. **All registered account holders must initial any alterations** to this form.
4. The transfer will only be approved by WMI upon the payment of the fee, and the provision of all the required information.
