Application to Link Customer Accounts

(For Water Allocation and/or Delivery Allowance)

FEE for 2025/26 is \$33.00 (incl GST)

Introduction

- A. Accounts will be linked for the purpose of Water Allocation and/or Delivery Allowance.
- B. The account named as the primary account will incur the any Usage Above Delivery Allowance Fee and/or the Additional Water Fee applicable.

Conditions

1. Approval is required by WMI prior to any links being processed.
2. When linking Delivery Allowance, the accounts must be in the same irrigation area.
3. All owners (first three listed) associated with all accounts must sign this form consenting to the linking.
4. If Usage Above Delivery Allowance Fee or Additional Water Fee, remains outstanding on the primary account after the due date, WMI reserves the right to disconnect the supply of water to any or all of the properties involved in this linking application.

PRIMARY ACCOUNT

Account Number _____

Water Allocation ☐ (tick if applicable)

I agree to the Water Allocation being available for use between the accounts listed on this application. I acknowledge that the Fixed Government Charge will be applied to the account that holds the entitlement and the Variable Government Charge will be applied to the account that uses the allocation.

Delivery Allowance ☐ (tick if applicable)

I agree to the Delivery Allowance being available for use between the accounts listed on this application. I acknowledge that as the primary account holder, any Usage Above Delivery Allowance Fee and/or Additional Water Fee service charges incurred will be charged to this account.
