

WMI Fees and Charges for 2025/26

Dear Valued Customer

Key points:

- WAMC Government (pass-through) charges have been updated. They are effective from 1 October 2025.

I'm writing to inform you of an important update to our fees and charges for the current year, as outlined in the **2025/26 Schedule of Charges**.

The NSW Independent Pricing and Regulatory Tribunal (IPART) has released its determination following a review of the Water Administration Ministerial Corporation (WAMC) fees. These fees are collected by WaterNSW on behalf of WAMC and form part of the pass-through charges applied to our customers.

As a result, WMI has updated the Schedule of Charges to reflect the increased WAMC fees. These changes will take effect from **1 October 2025**.

If you have any questions, need further information, or would like to provide feedback, please don't hesitate to contact us.

Sincerely

Lena Langanke
